## Introduction

Mercy College has created parking regulations to help provide an efficient and safe environment for drivers and pedestrians at all campuses. All students, faculty and staff are required to register each vehicle and display a valid Mercy College parking permit (i.e., decal) in order to drive or park a vehicle on all campuses, except Manhattan. Registering a vehicle implies an understanding of the following:

- Parking is provided on a first come first serve basis.
- Any vehicle not bearing a valid permit or parked illegally is subject to being immediately ticketed, immobilized and/or towed away at the owner's expense.
- Parking privileges may be refused or revoked at the discretion of the College at any time.
- Under no circumstances shall Mercy College be responsible for loss or damage to any vehicle, its contents or equipment while parked on College grounds.

Union employees should also refer to the UAW Local 2110 Collective Bargaining Agreement (CBA) for additional information. If any provisions in this Policy or the CBA conflict, the CBA shall take precedence for union employees.

## Parking Permits

Permits are issued to vehicles that have been properly registered with Security via completion of a [vehicle registration form](#). A permit consists of a decal that must be applied to the driver's side rear window. All Faculty, Students and Staff (with the exception of Residential Freshmen) are required to register any vehicle they intend to bring on campus.

- Residential Freshmen students are not eligible for permits and at no time may park a vehicle on campus.
- Temporary Permits. Visitors with vehicles on the Dobbs Ferry campus must obtain a temporary permit in order to park on campus. "Visitor" applies to any individual other than a student, faculty, staff member, or employee of Mercy College. Temporary Visitor permits will be issued at the Gatehouse and must be displayed on the dashboard of the vehicle. (Note: If you are expecting a visitor, it is advisable to request a visitor pass in advance by sending a temporary permit request to [Transportation@mercy.edu](mailto:Transportation@mercy.edu). Visitor passes are not required at Mercy's other campuses.
- Handicapped / Special permits. There are spaces available for handicapped students, staff, and faculty at Dobbs Ferry, Bronx and Yorktown Heights campuses. These spaces are marked with blue pavement markings and/or signage. The College will honor all official handicapped permits issued by the State. Handicap drivers are still required to acquire a Mercy College Permit. Vehicles parked in a designated handicap space without a proper permit are subject to immediate removal from campus.

## What is Required to Obtain a Permit?

- Students (both non-Freshmen residential students and commuters), faculty, staff, and long-term contractors must apply in person or online by completing a Vehicle Registration form. The permit shall be provided by the Safety & Security Department, Room 234, Main Hall at the Dobbs Ferry campus. Students can also obtain permits from Enrollment Services at the Dobbs Ferry, Bronx or Yorktown Heights campuses.
- Mercy College Identification (ID) Card is required.
- State vehicle registration is required.

- One free permit will be issued per vehicle. Additional permits requested will require approval and if approved will incur a fee set by the Director of Transportation except in special circumstances set forth below.
- Only one registered vehicle per employee is allowed on campus at once.
- When a student (other than a residential freshmen) is admitted to the College it is the student's responsibility to obtain a parking permit for any vehicle they intend to bring on campus.

## Vehicles to Be Registered

- All automobiles and trucks, including pick-up trucks and vans, must be registered and display a permit.
- Motorcycles and motor scooters must be registered and require a permit.
- Bicycles do not require a permit. It is highly recommended that anyone with a bicycle on campus lock the bike at all times with a high quality bicycle lock. Call Campus Safety & Security for assistance if necessary. (Note: There are shower and changing facilities in Hudson Hall to support the bicycle program.)

## Conditions of Parking Permit

- The registered owner will be held responsible for the use of their vehicle on campus, regardless of who is driving the vehicle.
- The privilege represented by the permit applies only to the vehicle for which the permit was issued. In certain circumstances, there may be charge to replace a permit if one has already been issued to the vehicle.
- In the event the vehicle is sold or disposed of, another permit must be issued upon satisfactory proof of sale / disposal of the prior vehicle. There will be no charges for the issuance of a new permit in this case.
- Parking permits may not be transferred.
- If your permit is lost or stolen contact Campus Safety & Security at 914-674- 7225.
- A permit may be revoked without refund for failure to observe any conditions listed in these regulations.
- A stolen vehicle or damage to a vehicle should be reported to the Campus Safety & Security Office as soon as possible.

- If you notice suspicious activities in the parking lot notify Campus Safety & Security immediately.
- Always remain alert when in parking areas.
- Report any incidents to Campus Safety & Security.

**Note: The College is not responsible for any theft or damage to vehicles or property while parked at one of the on or off-campus parking lots.**

## Policy Enforcement

Parking regulations are enforced by Mercy College Safety & Security Officers at the Dobbs Ferry Campus; at the Bronx Campus this function is performed by the landlord/building managers. Monetary fines (attached as Appendix C) will be assessed for violations that include, but are not limited to:

- Failure to properly display vehicle decal.

- Driving in any matter judged to be an unsafe operation of the vehicle, including excessive speed.

*All summonses not paid within the ten-day limit will be subject to a penalty in addition to the fine.*

- Violators who have their vehicle immobilized will be charged a service fee for removal of the “parking boot” in addition to the summons penalty.
- Violators who have their vehicle towed will be charged a towing and storage fee in addition to summons penalty.
- Students who fail to answer parking summonses on or before their due date will incur additional charges and the possible withholding of registration, grades, transcripts and diplomas.
- Students who repeatedly violate college parking regulations will forfeit their parking privileges.
- Faculty and staff members are responsible for complying with Mercy College parking regulations. Failure to answer summonses will be referred accordingly to the Office of the Provost and/or the Office of Human Resources.

## Vehicle Tow Policy

Campus parking regulations are in effect 24 hours a day, seven days a week, and are enforced by the Mercy College Campus Safety & Security office. When vehicles are found to be violating or to have repeatedly violated the parking regulations herein, or where warranted by immediate circumstances, vehicles may be booted (immobilized) or towed and impounded, and thus subject the owner to towing and storage fees in addition to penalties.

A vehicle may be towed or immobilized (booted) under the following circumstances:

- The vehicle is on record for two (2) or more unpaid violations.
- The vehicle is parked on campus in such a manner that the safety of persons and/or property is a concern (e.g., parked in a fire lane, blocking disabled access, blocking in another motorist, etc.)
- Vehicle is illegally parked in a loading zone area and immediate towing/removal of the offending vehicle is warranted or required.
- Vehicle is apparently abandoned (with or without license plates), left on campus overnight without authorization or the owner/operator fail to contact the Director of Safety as required.
- If a vehicle is immobilized or “booted” a notice will be affixed to the vehicle advising the owner to report to the Campus Safety & Security office. All unpaid violations in addition to a removal fee must be addressed prior to the vehicle being released.
- If a vehicle is towed off campus the owner will be provided with the name and phone number of the tow company so the vehicle may be released. The owner/operator will be responsible for towing and storage fees as well as any summonses issued to the vehicle.

### Parking at Mercy College Campuses

The following guidelines address parking arrangements at each campus.

#### Dobbs Ferry Campus

##### On-Site Parking

- Security is stationed at the Gatehouse, the entrance to the campus, to ensure each entering vehicle has a valid decal displayed on the vehicle. Those vehicles without a valid decal displayed will be directed to park at the Palisade lot.
- Visitors to campus will be issued a temporary pass in line with the purpose of the visit. Visitor will be expected to provide the name of the person or department they are visiting and the reason for the visit. If it is known in advance that a visitor is expected, please send an email to [transportation@mercy.edu](mailto:transportation@mercy.edu) and register the visitor in the Visitors' Log.
- Parking on the Dobbs Ferry campus is available at most times to Mercy faculty, union employees, residential students and commuting students with valid vehicle decals, as space permits. Special events may affect availability on the main campus. Non-union staff follow a rotational schedule that includes a period of off-site parking as outlined below.
- Residential students, with the exception of Residential Freshmen, who have valid vehicle permits are required to park in the "R" lot unless otherwise directed by Security personnel.
- There are a limited number of residential student permits that can be issued each semester on a first come first serve basis by Student Affairs.
- A parking patrol will ensure the enforcement of parking rules on and off campus. Penalties for violations include, but are not limited to, ticketing, monetary fines, vehicle booting and towing of vehicles-all of which are dependent on the severity of the offense.

##### Off-site parking

To address the need for additional parking at the Dobbs Ferry campus, the College has leased off-site parking approximately a mile and a half from the campus at a lot located at **145 Palisade Street, Dobbs Ferry, NY** ("Palisade lot"). Shuttle services are available to and from the lot. For directions to the Palisade parking lot see Appendix A.

- Non-union staff decals are issued in four groupings: Staff A through D. Each month, a different grouping will be required to park at the Palisade lot. Staff with decals reflecting the other three groupings may park on campus, as space permits. Union Staff are issued a Staff E decal and are not required to participate in this rotation.
- Staff groupings A through D are rotated monthly, so that each grouping will take a turn at parking at the Palisade lot for at least one month during the semester.
- Groupings will be notified by Campus Safety & Security as to the months/dates when they are required to park in the off-campus lot.

- Those with valid, state issued handicapped stickers should contact the Security Office regarding accommodations.
- Contract service employees, Vendors and construction workers are required to park at Palisade lot throughout the semester as outlined in this policy.

***NOTE: It is expected that parking will be readily available on the campus on weekends and accessible to all groups.***

## Shuttle Services in Dobbs Ferry

To accommodate individuals parking off-site, shuttle services are provided on a frequent [schedule](#).

Additionally, there is an on-campus shuttle service that runs throughout the Dobbs Ferry campus, to and from the hotel(s), and to and from the Ardsley-on-Hudson train station. Download the [SmartTraxx Parking App](#) on your mobile device for up-the-minute information on shuttle services. Instructions on how to download the application can be found [here](#).
