Registration/Payment Procedures

In-person and Web registration will begin on March 8, 2023

- **You must be in FULL compliance with the New York State Immunization Law. Submit immunization documents in person to the Office of the Registrar or online to the Registrar's office at https://mercy.formstack.com/forms/immunization_file_upload.**
- Make and keep an appointment with your counselor/mentor to go over your degree requirements and review your transcript on Mercy Connect. If you have transfer credits, pay particular attention to your transfer work, and make sure that you do not enroll in a course for which you have already received credit.
- Review available courses through Mercy Connect.
- Check prerequisites and registration restrictions for each course in which you plan to register by clicking on the **course title and view information on the left menu tab**. This will tell you the **information you need**.
- Make a list of the courses in which you plan to enroll using a Registration/Schedule Worksheet.
- Clear any holds that prevent registration. Your holds status is available via Mercy Connect by clicking Registration in the Student Hub card, then clicking Your Registration Information, then Prepare for Registration. **This will show you if you are eligible for registration and if you have any holds that will prevent you from being able to register.** If you have any questions about your holds, contact the Office of Student Financial Services at **1-888-464-6737**.
- If you intend to use Financial Aid (grants and loans), you **MUST file the 2022-23 Free Application for Federal Student Aid (FAFSA)**. The last day to file the 2019-2020 FAFSA is **June 30, 2023**. If you have already filed a FAFSA, please check with your counselor/advisor to make sure that you have submitted all the required documents for aid to disburse.
- All payment arrangements must be completed by
Semester: May 10, 2023
Trimester: April 10, 2023
Quarter: May 9, 2023

To proceed with registration:

- Process your registration online (see procedures below).
- You will be required to complete a Student Acknowledgement Statement and Method of Payment Information Form. This will be used to assist you in completing your payment arrangements for the summer term.
- If you have changed your address, update your address directly in the Mercy Connect portal. Login to Mercy Connect, click the "Student Hub" button, then click "My Profile." Update your address by clicking the edit button under the address shown, enter the update, then click "Update."

After you have registered:

- Print your schedule via Mercy Connect.
- Follow through with your payment/financial aid procedures. You can pay online via Mercy Connect.

Web Registration

Registration Instructions for Mercy Connect

- After logging into Mercy Connect, **click on the Student Hub**. To register for classes select **Registration**. **Select your registration term and search for classes**. (If you have trouble logging into Mercy Connect, please contact the Helpdesk at helpdesk@mercy.edu or 914-674-7526.)

For questions on your holds, call

1-888-464-6737.

- Summer 2023 Semester
- Summer 2023 Trimester
- Summer 2023 Quarter

Highlight the term, and click the **Submit Term** button. This will return you to the Registration Menu.

- The first time you select add or drop classes for a term you will be required to complete a Student Acknowledgement Statement and Method of Payment Information Form. This information will be used to assist you in completing your payment arrangements for the term.
- If you want to search for classes, click the **Class Search** button at the bottom of the page. This brings you to the **Browse Classes** page. On this page, you can search for classes using specific criteria. You must select the subject name and any other criteria you wish to specify (course number, campus, etc.) however only the subject name is required. After selecting the criteria, click **Class Search**.
- On the **Browse Classes** page, a listing of classes fitting the criteria you specified will appear. Class information, such as dates, days, time, campus, and seats available will appear for each class listing. If you wish to register for a class, check the box in front of the **CRN** and click **Register**. If there is a C in the box, the class is closed. If there is an X in the box it has been cancelled. If you are on hold you will not be able to check any boxes.
- If you do not have to look up classes because you already know the **Course Reference Number (CRN)** choose **Add or Drop Classes** from the **Registration Menu**. Then enter the CRNs in the boxes (one CRN per box). After entering the CRNs click the **Submit Changes** button. (If you receive an error message on the **Add/Drop Classes page**, check your schedule of classes or contact your counselor/mentor.)
- To **Drop a Class** - In the second column, '**Action**' there is

a window with a down arrow. Click on the arrow and a message should appear indicating '**Web Drop**'. Click this and then at the bottom of the form click on '**Submit Changes**'. If the message (web drop) does not appear in the window the period for dropping through the web is over and you should contact your advisor. Please see **Withdrawals and Refunds**.

- **You can view your schedule by clicking Registration Information on the Registration homepage. This allows you to pick the term and see your course registration for that term. The basic course information for that term, as well as the course schedule is displayed. Please keep in mind if you class is distance learning not synced you class will not show in the calendar format.**

Before you logout, click on **Account Summary** from the **Student Account menu** under **Student and Financial Aid**. Make sure you have made the necessary arrangements to cover your tuition using grants, loans, payment plans, etc.

General Information

NON-DEGREE SEEKING STUDENTS

Non-Degree Seeking Students (Non-Matriculating) Students who wish to enroll in courses for college credit on a non-matriculating (non-degree) basis may register for those courses without making a formal application for admission to Mercy College. However, all non-matriculating students must meet with an admissions counselor to complete a non-degree form and to have the desired courses approved.

Non-matriculated students are not eligible for Federal, State or Institutional Financial Aid. For payment options or assistance with financial aid requirements, an appointment with a Student Financial Services Staff member is recommended. You are welcome to the Office of Student Financial Services at any of our campus locations or may phone the Office of Admissions to become a matriculated student at 877-MERCY-GO.

FINANCIAL ASSISTANCE

The Office of Student Financial Services communicates with students both via Mercy Connect and via US Mail. Requests for required documentation and financial aid award package notifications are sent as both a targeted email message, and via US Mail. To expedite processes, students are encouraged to login to Mercy Connect weekly to check for these messages. Directions for using Mercy Connect are available in the Mercy Connect Section of this bulletin. Additionally, you are welcome to visit one of our campus Office of Student Financial Services if you need personalized assistance. Finally, you may also contact us by telephone:

WITHDRAWALS AND REFUNDS

Students wishing to withdraw from courses for which they have registered **MUST** file an official withdrawal. Ceasing to attend classes does not constitute an official withdrawal. If you do not officially withdraw it will result in the issuance of a grade of "FW" which will be calculated into the student's GPA as an "F" and may result in dismissal. In addition this status will be reported to the Office of Student Financial Services and may result in a reevaluation and possibly a reduction of financial aid funds. Notification to the instructor or to any other office does not constitute an official withdrawal. An official withdrawal may be processed in person at any Student Financial Services Office, or via Mercy Connect.

Withdrawal from class(es) does not necessarily entitle a student to a refund of tuition and fees paid, or to a reversal of tuition charged. Refunds will be made in accordance with the refund schedule. The date of withdrawal will be the date the official withdrawal form is entered into the computer, not the last date of class attendance. Students who receive financial aid should contact a Student Financial Services counselor.

Students that withdraw during any part of the refund period and have deferred payment via third party (whether financial aid, employer, etc) arrangements will be responsible for all tuition and related fees regardless if eligibility of such arrangements for disbursement and/or payment have been established prior to withdrawal.

Credit granted for tuition charged to American Express, Discover, MasterCard or VISA will be credited to the student's Mercy College account.

Refunds will be granted only for credit that appears on the student's account. The processing of refunds from loans, financial aid award, or other third party reimbursement cannot begin prior to the time the College certifies eligibility and/or receives and posts the funds to the student's account. Refund checks are made payable to the student and mailed to the student's home address.

Refunds resulting from a Parent Plus Loan will be made payable to the parent and mailed to the parent's address on record.

PAYMENT POLICY AND PROCEDURES FOR ALL STUDENTS

To best serve your financial needs as a student at Mercy College, it is important to familiarize yourself with the College's payment policy. The following is a brief summary of those policies, for further information please refer to our web site or call 1-877-MERCY-GO.

Acceptable payment arrangements must be made three weeks before the first day of each term. Acceptable payment arrangements include payment in full or approved financial aid and a payment plan covering the balance in full. Students who have not made satisfactory payment arrangements will incur monthly late fees, and will have registration holds placed on their accounts. Prior balances must be paid in full.

ACCEPTABLE PAYMENT ARRANGEMENTS INCLUDE:

- Checks and credit cards (American Express, Discover, MasterCard, VISA)
- Official Scholarship Notification
- Company Reimbursement – Written authorization on company letterhead, signed by a supervisor, specifying that payment will be made directly to Mercy College
- Employee Reimbursement – Tuition Reimbursement Agreement must be signed
- Approved Financial Aid grants and loans
- Mercy College/Nelnet Campus Commerce payment plan at: mycollegepaymentplan.com/mercycollege or 1-800-609-8056

Note: Students eligible for the maximum amount of financial aid and grants are still responsible for the difference between tuition and fee charges and full grant eligibility.

A payment plan or supplemental private loan may be required to cover the balance due.

Immunization Requirements

New York State Public Health Law, requires all students enrolled in six or more credits must be fully compliant with the below immunization requirements.

Immunization compliance is outlined as follows:

Meningococcal Meningitis

New York Public Health Law requires the College to distribute information about Meningococcal Meningitis disease and vaccination to all students registered for six or more credits. Student(s) are required to confirm whether or not they decide to become immunized (or not).

Students are required to submit a form confirm their decision with the College in writing. The completed form is to be submitted to the Office of the Registrar. Electronic documents submitted will be accepted as the student signature.

Measles Mumps and Rubella (MMR)

New York Public Health Law 2165, requires that all college students born after December 31, 1956, taking six or more credits in a term, provide proof of immunity to measles, mumps and rubella prior to their first term of study.

Proof of immunity includes an immunization record from a health care provider, previous school, immunization registry record or military immunization record. The requirement can also be satisfied by receiving the MMR combined vaccination. It is a 2 dose series and students must obtain a second measles vaccine administered at least 30 days after the first (MMR) dose in order to be in full compliance with required Immunizations.

An alternative to providing immunization proof or receiving the vaccine would be to submit a lab report showing positive titers or immunity to measles, mumps and rubella.

Measles: Two doses required

First Dose must be after the age of 12 months
 Second Dose must be administered more than 30 days after the first dose and after the age of 15 months.

Alternative to immunization documents, the student may present medical proof of the disease or laboratory proof of immunity (students must submit a copy of lab report showing positive titers for Measles)

Mumps: One dose required

One dose administered after the age of 12 months

Alternative to immunization documents, the student may present medical proof of the disease or laboratory proof of immunity (students must submit a copy of lab report showing positive titers for Mumps)

Rubella: One dose required

One dose administered after the age of 12 months

Alternative to immunization documents, the student may present medical proof of the disease or laboratory proof of immunity (students must submit a copy of lab report showing positive titers for Rubella)

Students must submit proof of MMR vaccine compliance and submission of completed Meningitis Form within **30 days of the start of term.**

Please note that according to NYS Public Health Law, no institution shall permit any student to attend an in-person class on campus in excess of 30 days from the start of the term without complying with this law. All students restricted from coming to campus will remain enrolled in their in person classes and will be responsible for any and all work.

For requirements and policies relating to the COVID-19 vaccine, please see the college's **COVID-19 Vaccination Policy** at: www.mercy.edu/campus-life/return-campus

FORM COMPLETION

Please make sure you complete and return the meningococcal Meningitis Response Form within 30 days of the start of term. Please note that according to NYS Public Health Law, no institution shall permit any student to attend an in-person class on campus in excess of 30 days from the start of the term without complying with this law. All students restricted from coming to campus will remain enrolled in their in person classes and will be responsible for any and all work.

Meningococcal Information

On July 22, 2003, Governor Pataki signed New York State Public Health Law (NYSPL) 2167 requiring colleges and universities to distribute information about meningococcal disease and vaccination to all students meeting the enrollment criteria, whether they live on or off campus. This law became effective on August 15, 2003.

What is meningococcal disease?

Meningococcal disease is a severe bacterial infection of the bloodstream or meninges (a thin lining covering the brain and spinal cord) caused by the meningococcus germ.

Who gets meningococcal disease?

Anyone can get meningococcal disease, but it is more common in infants and children. For some adolescents, such as first year college students living in dormitories, there is an increased risk of meningococcal disease. Every year in the United States approximately 2,500 people are infected and 300 die from the disease. Other persons at increased risk include household contacts of a person known to have had this disease, immunocompromised people, and people traveling to parts of the world where meningococcal meningitis is prevalent.

How is the meningococcus germ spread?

The meningococcus germ is spread by direct close contact with nose or throat discharges of an infected person.

What are the symptoms?

High fever, headache, vomiting, stiff neck and a rash are symptoms of meningococcal disease. The symptoms may appear 2 to 10 days after exposure, but usually within 5 days. Among people who develop meningococcal disease, 10-15% die, in spite of treatment with antibiotics. Of those who live, permanent brain damage, hearing loss, kidney failure, loss of arms or legs, or chronic nervous system problems can occur.

What is the treatment for meningococcal disease?

Antibiotics, such as penicillin G or ceftriaxone, can be used to treat people with meningococcal disease.

Should people who have been in contact with a diagnosed case of meningococcal meningitis be treated?

Only people who have been in close contact (household members, intimate contacts, health care personnel performing mouth-to-mouth resuscitation,

daycare center playmates, etc.) need to be considered for preventive treatment. Such people are usually advised to obtain a prescription for a special antibiotic (either rifampin, ciprofloxacin or ceftriaxone) from their physician. Casual contact, as might occur in a regular classroom, office or factory setting, is not usually significant enough to cause concern.

Is there a vaccine to prevent meningococcal meningitis?

In February 2005 the CDC recommended a new vaccine, known as Menactra™ for use to prevent meningococcal disease in people 11-55 years of age. The previously licensed version of this vaccine, Menomune™ is available for children 2-10 years old and adults older than 55 years. Both vaccines are 85% to 100% effective in preventing the 4 kinds of the meningococcus germ (types A, C, Y, W-135). These 4 types cause about 70% of the disease in the United States. Because the vaccines do not include type B, which accounts for about one-third of cases in adolescents, they do not prevent all cases of meningococcal disease.

Is the vaccine safe? Are there adverse side effects to the vaccine?

Both vaccines are currently available and both are safe and effective vaccines. However, both vaccines may cause mild and infrequent side effects, such as redness and pain at the injection site lasting up to two days.

Who should get the meningococcal vaccine?

The vaccine is recommended for all adolescents entering middle school (11-12 years old) and high school (15 years old), and all first year college students living in dormitories. However, the vaccine will benefit all teenagers and young adults in the United States. Also at increased risk are people with terminal complement deficiencies or asplenia, some laboratory workers and travelers to endemic areas of the world.

What is the duration of protection from the vaccine?

Menomune™, the older vaccine, requires booster doses every 3 to 5 years. Although research is still pending, the new vaccine, Menactra™, will probably not require booster doses.

How do I get more information about meningococcal disease and vaccination?

Contact your physician or your student health service. Additional information is also available on the websites of the New York State Department of Health, www.health.state.ny.us; the Centers for Disease

Control and Prevention www.cdc.gov/ncidod/diseases/index.htm; and the American College Health Association, www.acha.org
