

Your 2026–2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called **Verification**. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Verification of 2024 IRS Income Tax Information for Student Tax Filers

TAX RETURN FILERS

Important Note: The instructions below apply to the student and spouse (if the student is married). Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2024 or had a change in marital status after December 31, 2024.

Instructions: Complete this section if the student and spouse filed or will file a 2024 IRS income tax return(s). As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

If 2024 income tax return information for the student (or spouse, if applicable) was not transferred via the FA-DDX and considered verified, the student should provide the institution with a **2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.**

A 2024 IRS Tax Return Transcript may be obtained through:

- **Get Transcript Online** – Go to www.irs.gov, click "Get Your Tax Record." Click "Sign in to your online account." Make sure to request the "Return Transcript" and NOT the "Account Transcript." Follow the instructions to create an ID.me account if you do not already have one. If you need help creating an ID.me account or verifying your identity, visit the [ID.me IRS Help Site](#).
- **Get Transcript by Mail** – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and NOT the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
- **Automated Telephone Request** – 1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- **Paper Request Form** – IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form.
