Using Ally to Improve Accessibility Within a Content Area

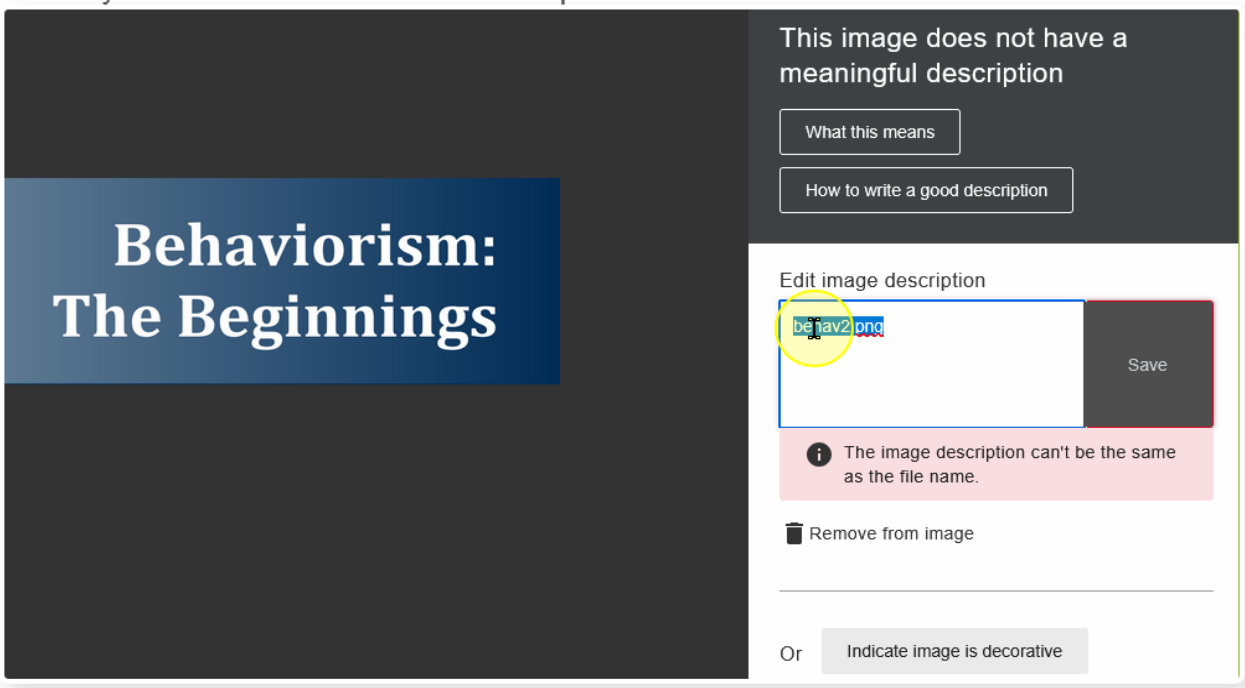

1. Click the Item you want to Review. In this case **"Introduction to Week 9"**.

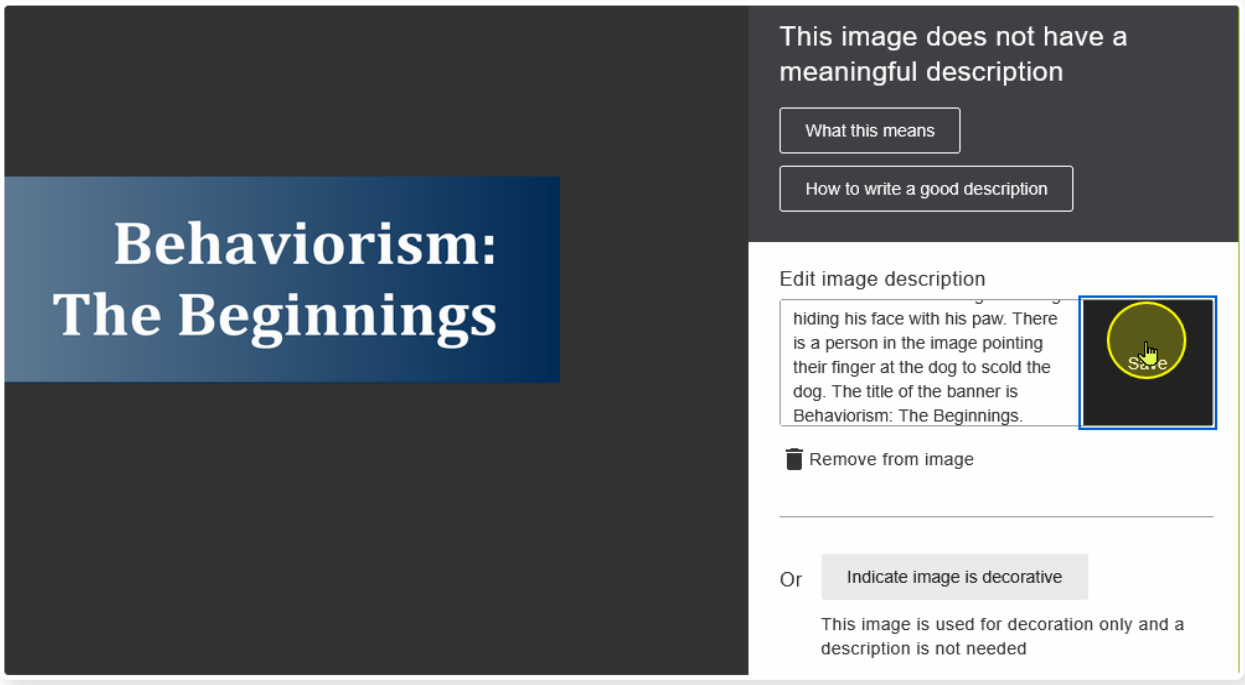

2. The icon on the right will show you **the accessibility score**. If it is red or orange, click on it.

3 Click in the **box under "Edit Image Description"** and erase what is there, to add your own more detailed description.

4 Type the Description in the box and click **"Save"**

5 Click "Close" when done.
